Arrival Information

It's best to arrive on the actual start date. There are no activities on the first day, so you can arrive at any time. If you do arrive early we'll still pick you up from the airport and will book you into our Hanoi Hostel – 'Cocoon Inn' from the day you arrive. Extra nights will be approx. £8 / \$15 per night for a multi-share room and can be pre-paid with your agent or paid on arrival.

After VietnamIntro

VietnamIntro finishes in Ho Chi Minh City in the south of Vietnam. If you're staying on longer in Vietnam, your Group Leader will help organise any of your onward travel.

If you're doing the VietnamIntro 9 day and then going home, we recommend adding on an extra night in Ho Chi Minh City, as we arrive there on day 9. Your Group Leader can organise any extra nights. If you have to fly out on day 9 then please ensure it is an evening flight so you have enough time for your connection.

If you need to get back to Ho Chi Minh City airport then it's a simple taxi ride that will take around 30 minutes and cost around £15 / \$25. We can organise this for you in Vietnam.

If you need to get back to Hanoi then the easiest way is to get yourself a cheap internal flight, we can help you with this. Just let your Group Leader know when you arrive.

Travel Insurance

Travel Insurance for Vietnam is compulsory to join Vietnam Intro. Your Group Leader will ask to see proof of your cover before your trip begins. You can organise a quote and policy for yourself here: www.introtravel.com/travel-insurance

Visas

It's important to check your visa requirements before entering Vietnam.

Some nationalities including the UK, France, Germany, Spain, Italy, Sweden, Finland, Denmark, Norway can enter Vietnam without a visa for a maximum of 15 days.

Other nationalities or those wishing to stay longer than 15 days need a visa for Vietnam and have two options:

Option 1: Apply for a one month visa at a Vietnamese Consulate nearest to you before you arrive. This requires submitting an application form along with your passport, passport photos and paying a fee, which starts at \$60USD for a single entry one month visa. Please allow at least 2 weeks processing time for this visa.

Option 2: Apply for a Visa Invitation Letter that is emailed to you, which you then print and bring with you to Vietnam. This letter allows you to fly into Vietnam and pick up your Visa on Arrival (VOA) at the airport. This VOA is for one month and is at a cost of \$25USD for a single entry and \$50USD for a multiple entry and needs to be paid in USD cash on arrival in Vietnam. There are a variety of websites that will provide you this Visa Invitation letter such as www.myvietnamvisa.com They will require you to submit an online application form and pay a fee of approx. \$20USD. Please allow at least 4-5 working days processing time for the Visa Invitation Letter.

A VOA is not available to those arriving into Vietnam overland. If you plan on arriving overland you'll need to go with Option 1.

Please note that while the above information is currently accurate, visa rules can often change so it's always best to double-check before departing. If you're unsure of your visa requirements or need any help just contact us.

FAQ's

Do many people travel alone?

Yes. Lots of people who go to Vietnam are travelling solo. But by doing Vietnam Intro you'll be part of a group, so it's a great way to meet people and make friends!

When is the best time to visit Vietnam?

It's always a good time to go travelling in Vietnam. Most months of the year you will experience both sunshine and possibly some rain. It's usually quite hot and humid most of the time, but it can occasionally get cold, especially in the north of Vietnam between November and February, so it's always best to bring a couple of warm layers with your summer clothing.

How much spending money will I need?

All your activities, accommodation, transport and some meals are included with Vietnam Intro, so you'll just need money for some meals, drinks, shopping and any onward travel. We recommend you bring at least £300 / \$500 spending money.

How will I access money while I'm away?

It's best to take a Visa or Master Card debit, credit or travel money card. There are ATM's available throughout Vietnam so it's easy to get access to cash. Some places accept credit card but not all.

Is there Wi-Fi throughout the trip?

All accommodations we stay at have free Wi-Fi available. Vietnam's network quality is often lower than you're used to but you can generally connect and do basic stuff.

What luggage do you recommend?

We always recommend travelling with a backpack and packing light! 10-20kgs of stuff should be plenty. It's generally quite hot in Vietnam so dragging around a huge suitcase is not much fun. There is luggage storage at the airport or at some accommodations if needed.

What plugs do they use in Vietnam?

Vietnam generally uses a flat or round 2 pin socket the same as most of Europe. It's always best to grab yourself an appropriate adaptor if needed before you go.

That's about it for now.

Once you've booked you'll get access to our online Check In Area and the Intro Travel App, which will give you all the information you'll need on Vietnam and Vietnam Intro, so you can just relax and enjoy the experience.

Of course if you have any more questions just contact us. We're happy to help !
